

Carlos Portillo
Professor Joshi
Data Visualization
30 April 2021

Black Hat Visualization:

<https://bl.ocks.org/cgportillo/raw/a8ea88a596b194f6f991d56f5f7eca16/?raw=true>

- There are no y-axes tick marks or a legend that represents the color chosen. There is also no color scale.
- There is no title on the visualization.
- There is no evidence about the source of the data and how it was collected / where it was found

White Hat Visualization:

<https://bl.ocks.org/cgportillo/raw/e9b1db9b5ec262d5806a6988e38e2725/?raw=true>

- There are now both x and y-axes
- Legend that corresponds to the sequential color scale using susielu
- There is now a title
- There is a credit of the source found underneath the visualization
